NOTICE

NOTICE is hereby given that an application will be made to the Legislative Assembly of the Province of British Columbia, at its next Session, for an Act amending *The Victoria Foundation Act*, being chapter 70 of the Statutes of 1936, by substituting new sections 5, 9 (1), 10, and 11, by adding a new section 5A, and by amending section 13.

The old section 5 describes the Foundation's powers relating to donations received, leasing of lands, management of property, abandonment of donations, and contracting without making it clear that such powers were restricted to charitable objects. The new section 5 will make that restriction clear.

The new section 5A specifies particular charitable objects that the Foundation aims at.

The old section 9 (1) provided how members of the Advisory Board of the Foundation were to be appointed by public officers. The new section 9 (1) will drop public officers who proved inaccessible and will substitute some quasi-public officers as appointors.

The old section 10, except as stated later, restricted the charitable objects to be assisted by the Foundation to inhabi-

tants within 28 miles of the Victoria City Hall. The new section 10 enlarges this area to the County of Victoria. The old section 10 was probably intended to apply only to income, but did not make that clear, which the new section 10 will do.

The old section 11 allowed parts of donations to the Foundation to be distributed to charities outside Victoria and environs, to comply with the wishes of the donors. The new section 11 will emphasize that only exclusively charitable purposes are within the section, and that they must be within the Province.

Section 13 as enacted empowered the Advisory Board of the Foundation by unanimous resolution to apply capital for purposes named in section 10. The amendment will substitute the purposes named in section 5A, which will narrow the purposes for which capital can be applied.

Dated this 8th day of December, 1965.
